## Moon sign based Career Predictions

**Aries** - An excellent year for those in service and self-employed. You will achieve your targets; your efforts and talents will be recognized. This is the right time to switch jobs or to diversify in business. A job transfer you request for will also be approved. Be open to new ideas. You will definitely be in demand at work and in community activities. Make your mark this year, grab the opportunities, surge forward and enjoy 2010.

**Taurus** – Career wise mixed results are in store for you in 2010. Changes are likely in the present set up which may not be to your liking. Still you will strive to be flexible and adjust yourself with the environment. This is the time when you have to concentrate completely on your profession. Middle of the year will bestow good results, so make vital movements then.

**Gemini** – A satisfying year compared to the last in many ways. Fine tune your qualities and dedicate all your capabilities at work. Accept new responsibilities with a positive attitude and be open to new ideas too. The year will see you very busy, tough and demanding. Be alert and well planned on business tours, as hidden obstacles may pop up in the middle of the year. Focus on short term tasks only.

**Cancer** - Expect a year, which ushers in a lot of changes in your profession, both good and bad. If you have been planning for a diversification in business or career, take the plunge by the middle of the year only. Do not fear setback and change your stance, for the problems are only temporary. Soon you will come to know how important you are in the present set-up. Avoid taking risks in the first quarter of 2010.

**Leo** – Career wise this is going to be a replica of the previous year. There will be fluctuations in your career prospects. If you can be patient, co-operative and flexible, you can be successful. Don't expect too much. If you are looking forward to effect some changes, do it in the first half of the year, which will bestow some favorable results. Think deeply and seek professional advice before switching jobs.

**Virgo** – 2010 will be a year in which you have to be both defensive and aggressive. Maintain cordial relationship with your colleagues. Avoid taking rash decisions on vital issues in the first half of this year. Don't violate existing rules in anyway. If you maintain clarity of thought, take right decisions at the right time, work hard and enter into strategic partnerships, you will be successful.

**Libra** – Career wise mixed results are in store for you in 2010. Changes are likely in the present set up which may make you little happier in the first half of the year. You will have to make adjustments and try to fit into the environment you find yourself in. You need to focus on your profession. Middle of the year will see you in a busy schedule, so be prepared for it.

**Scorpio**- 2010 will be an exceptionally fruitful year, full of opportunities, unlike the previous year. Hard work will pay off immediately. Transfer to a position or place of your choice and promotion are on the cards.

Opportunities from foreign countries will knock at your doors. You will receive timely help from influential people and make fast and powerful break-through. Your social status will rise, but be careful on spending too much energy and money in the first half of the year.

**Sagittarius** – An year in which you have to exercise more cautious than the previous one. Change of job or transfer to a new place will cause slight disturbances. Be prepared to face the change and don't look behind. You will move in a new circle of friends, who may guide you towards improving your career. But be selective of the friends too. Also file your tax returns properly in time to avoid legal actions.

**Capricorn** – An exceptionally good year, filled with lot of good opportunities. You will easily outperform

others in the fray. Benefactors will lift you up. Opportunities for better jobs or overseas assignments will knock at your door. This is an excellent period for forging new alliances with like-minded people to boost your prospects and initiate ambitious projects. If you have wonderful ideas with you, this is the ripe time to table them in an effort to secure approval from influential people.

Aquarius – This is going to be just another year for you. Planning is required every moment on the work front. As you are liked by all around you, too much dependence on you at the work place will encroach on your time. But you will continue to get support and help from your colleagues and boss over crucial matters and situations. You will be given extra responsibilities too. The second half of the year will be much favorable.

Pisces - You can make the year favorable if you move cautiously. Just avoid taking important decisions on professional matters and legal issues, especially in the first half of the year. Patience, co-operation and flexibility are ways to success. Do not switch jobs and avoid planning business expansions. Accept responsibilities when vested, and execute them to the best of your abilities, in a selfless manner. Act conservatively rather than aggressively.
